Substitute EXPERIENCE for EDUCATION:

NONE

SPECIAL REQUIREMENTS (AGE, LICENSURE, REGULATION, ETC.):

Must pass a 29 CFR 1910.120 compliant physical examination within 6 months of employment, if necessary, and maintain by passing an annual 29 CFR 1910.120 compliant physical examination as necessary according to assigned job duties. Must pass a 29 CFR 1910.120 compliant hazardous waste operations and emergency response training course within 1 year of employment, if necessary, and maintain through completion of 29 CFR 1910.120 compliant refresher training as necessary according to assigned job duties. Most federal agencies that issue security clearances use the terms Confidential, Secret, and Top Secret. The US Department of Energy uses the terms L, and Q. Employees in this class must obtain at least a secret (or L if DOE) level security clearance or equivalent, if necessary. Further, this clearance must be maintained as necessary according to assigned job duties.

EXAMPLES OF DUTIES OR RESPONSIBILITIES OF THE JOB CLASSIFICATION: *Examples of duties or responsibilities are not to be construed as describing what the duties or responsibilities of any position shall be and are not to be construed as limiting the appointing authority's ability to assign, or otherwise alter the duties and responsibilities of a position. This is not intended to be an exhaustive list.*

Participates in structured on-the-job training, in addition to formal Nuclear Regulatory Commission (NRC), Federal Drug Administration (FDA), and Department of Energy (DOE) courses; under the oversight of an experienced Radiation Health Specialist, inspects facilities that use sources of radiation; ensures compliance with state regulations and prepares clear and concise reports of findings; reviews and evaluates radiation safety programs and makes recommendations to the program supervisor to ensure appropriate health physics standards are applied; follows prescribed methods and procedures for using radiation detection instruments and interpreting measurements as they relate to public health and safety; under the oversight of an experienced Radiation Health Specialist, collects, prepares and analyzes environmental samples from various sites; under supervision, responds to statewide radiological incidents/accidents and assists in correcting immediate hazards; evaluates technical data and advises program supervisor of content with assistance from experienced staff; attends training as required.

UNIQUE PHYSICAL REQUIREMENTS:

Physical effort required during field activities. Must be capable of lifting and carrying 30 lbs without assistance. Works in various weather conditions.

TYPICAL WORKING CONDITIONS: *Incumbents in the job will typically perform their job duties under these conditions.*

Incumbents working in this job title will work in various weather conditions. Work will involve exposure to radiation, chemical, and other physical hazards when conducting regulatory activities and incident response. Must be capable of wearing and working in full hazardous materials protective garments and equipment for extended periods of time.

ADDITIONAL REQUIREMENTS:

Upon appointment, employees in this class may be required to maintain a valid driver's license and required to drive a licensed vehicle. This status may be necessary for the length of time in this class. If this is necessary it will be listed in the specific position description for that position. Applicants and employees in this job title may be required to submit to a drug screening test and background check. Applicants and employees in positions which perform job duties that may require contact with offenders in the custody or supervision of the Department of Corrections or with youth in the care, custody, or supervision of the Department of Juvenile Justice must meet qualifications pursuant to the federal Prison Rape Elimination Act, 28 C.F.R.115.17 and 115.317.

THE COMMONWEALTH OF KENTUCKY DOES NOT DISCRIMINATE ON THE BASIS OF RACE, COLOR, RELIGION, SEX, NATIONAL ORIGIN, SEXUAL ORIENTATION OR GENDER IDENTITY, ANCESTRY, AGE, DISABILITY, POLITICAL AFFILIATION, GENETIC INFORMATION OR VETERAN STATUS IN ACCORDANCE WITH STATE AND FEDERAL LAWS.
